STUDENTS SEMINAR ON

“NEP 2020: ORIENTATION AND SENSITIZATION”

Under the RUSA Equity Initiative fund the Students’ Cell of Lady Keane College organized a Students’ seminar on “NEP 2020: ORIENTATION AND SENSITIZATION”

DATES: May 30, 2024

VENUE: AUDITORIUM, LADY KEANE COLLEGE

NUMBER OF SESSIONS: TWO

RESOURCE PERSONS:

1. Dr. Rihunlang Rymbai, Associate Professor
Department of Education, North Eastern Hill University, Shillong.
2. Dr. Quendarisa Kharbuli, Associate Professor, UGC- Malviya Training Centre,
North Eastern Hill University, Shillong.

PARTICIPANTS:

NUMBER OF PARTICIPANTS= 411 (Four hundred and eleven) students

ABOUT THE SEMINAR:

The seminar started with the welcome address by Dr A M Shangpliang, Vice Principal who then felicitated the resource persons. The first session was addressed by Dr Rihunlang Rymbai on the topic “NEP 2020- A Students’ Perspective”. She spoke on the different aspects of the NEP curriculum, the different subject combinations, courses offered, skill based training and the multi-disciplinary courses. Ms Rymbai stressed on the importance of having a diverse curriculum pattern and its benefit on students.

The second session was handled by the next resource person Dr Q Kharbuli who spoke on the topic “Online Courses”. Dr Kharbuli gave a thorough and vast in-sight into the various Online courses that the students can avail in addition to the Offline Courses offered by the different colleges. She also highlighted the user friendly nature and easy accessibility of these courses.

The seminar ended with an interactive session which was followed by the Vote of thanks delivered by Mrs I Kharkongor.

OTCOME OF THE SEMINAR

1. The program expanded the students’ understanding of NEP 2020.
2. The programme underscored on multidisciplinary learning that NEP provides for the students. Multidisciplinary Courses (MDCs) foster tearing down barriers between different streams of study and promote interdisciplinary education.

3. Another significant emphasis was on Skill Enhancement Courses (SECs) and Value Added Courses (VACs) that will move the students beyond rote learning and focus on imparting practical skills that are relevant to the needs of the industry and society making them more employable.
