

A Report on an Awareness Program on TESOL.

-Mrs.P.Nongkhlaw

Department of English

On the 28th of April,2023 a team of three teachers comprising of Dr.C.Kharlukhi and two others from Sankerdev College delivered an Awareness Program about the Teaching English to Speakers of other Languages (TESOL) an M.A Course. As per their request, the Department of English allowed the fourth and sixth semesters to attend the program in one of the classrooms.

In the program, Dr.Christina Kharlukhi enlightened the students about TESOL; she informed that the course was founded in 1966,Virginia,U.S.A and that it aims to train and equip learners in the various domains of teaching and learning through English, it aims to provide expertise and training in the English language skills(LSRW) and to enable learners to design and develop assessment tools in the evaluation of language learning. She also informed that the course was affiliated to North Eastern Hill University with a duration of two years. Furthermore, she informed that future opportunities include teaching English in Thailand, Hongkong, Japan, France, Spain, Vietnam, Indonesia, Slovakia, South Korea and other countries as well.

Dr.C.Kharlukhi vehemently appealed the students to understand the aim and objectives of TESOL so that they can become proficient users of the English Language.

The hospitality extended to the team was very much appreciated and they expressed their desire to visit the college again if we need help or assistance with regards to the course offered by them.
