

A Report on Adventure to Kaziranga National Park, Assam

Date: 17.03.2024 – 19.03.2024

The National Service Scheme (NSS) unit embarked on an enlightening excursion to Kaziranga National Park from March 17th to 19th, 2024. Our journey aimed to delve into the rich biodiversity of Kaziranga while fostering a spirit of environmental stewardship and community engagement among our members.

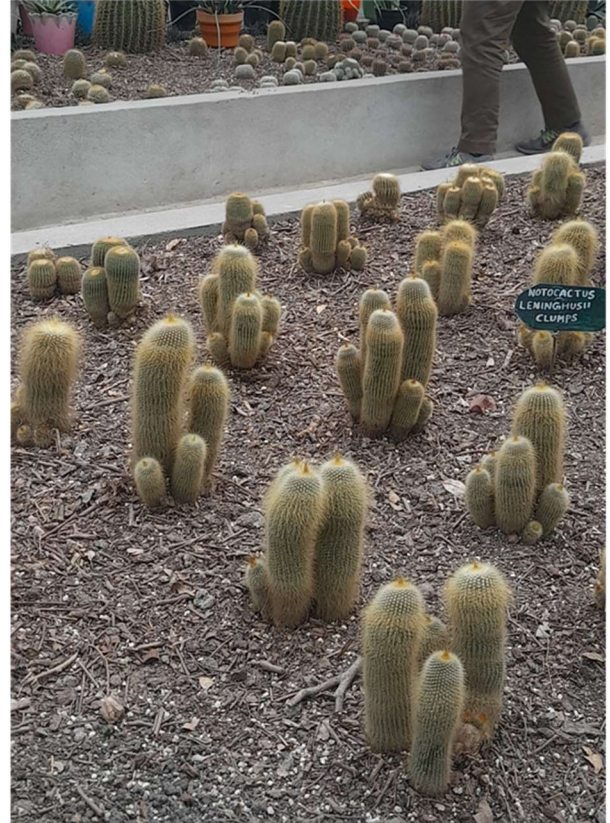

Day 1: Arrival and Relaxation (March 17th): Our excursion began with great anticipation as we departed from Lady Keane College at 8:00 AM, bound for Kaziranga National Park. After a scenic journey, we arrived at our destination around 4:00 PM, greeted by the lush greenery and tranquil ambiance of the park. Check-in at Kohuabon hotel was smooth. The remainder of the afternoon was dedicated to free time, allowing us to relax, explore the hotel's amenities, and soak in the beauty of our surroundings. This period of relaxation rejuvenated our spirits and set the stage for our exploration of Kaziranga.

Day 2: Wildlife Excursion (March 18th): The highlight of our excursion awaited us on March 18th as we embarked on a thrilling wildlife safari through Kaziranga National Park. The day began with an early breakfast served at 7:00 AM, providing the necessary fuel for our adventure ahead.

Departing from the hotel at 7:40 AM, we arrived at the park entrance by 8:00 AM. As we ventured deep into the heart of the park, guided by experienced naturalists, our senses were heightened by the sights and sounds of the wilderness. From majestic tigers to one horned rhinoceros, each encounter filled us with awe and for the natural world.

After a thrilling safari from the wilderness, we headed back to the hotel for a light relaxation and after that we moved to explore further the famous Kaziranga National Orchid and Biodiversity Park. But before entering into the abode of the plantations, we began with lunch from an aesthetic Assamese traditional restaurant and got ahead to the exploration of more than 600 species of plants such as orchids, cactus, bamboo, etc. We also explored the tradition of assam including dresses, accessories, weapons and many more. The venture added more jolly with the cultural dance of Assam, i.e. Bihu dance, summing-up are adventure .

Day 3: Departure (March 19): The excursion at Kaziranga came to an end. We all got ready and had an heartfelt breakfast by 8:00 AM and thanked all the service members of the resort for their kind and helpful service during the days of our stay. The excursion concluded with a group photography, following our departure from Kaziranga at 9:00 AM reaching our destinations safely and securely.

In conclusion, our excursion to Kaziranga National Park was a memorable journey filled with adventure, relaxation, and camaraderie. From the serene moments of relaxation at the hotel to the thrilling wildlife safaris and heartfelt conversations over meals, every aspect of our trip contributed to an enriching experience. As we return home, we carry with us cherished memories and a renewed appreciation for the importance of conservation and the beauty of nature.
