DEPARTMENT OF KHASI**

A REPORT ON FIELD TRIP 2023

On the 28th April 2023, the students of the 6th semester Khasi Department along with the teachers of the Department went for a Field Trip to Sohra as one of the programme of the Department for the year 2023-2024.

Three tourist sights was visited by the students on this day which includes Arwah Cave, Mawsawa Falls, and Wei Sawdong Falls. These sights are located at Sohra and is under the lookover of U Syiem ka Hima Sohra.

We first visited Arwah Cave, which is one of the famous and well-known cave in the State. We also visited Mawsawa Falls, a tourist sight which has drawn many tourists to visit this place. Lastly we visited the Wei Sawdong Falls, which is one of the beautiful and famous Falls in the region.

The trip was indeed wonderful and has benefited the students. Students could witness with their own eyes the richness of our Land in many ways by the blessings we got through our Mother Nature. It has also taught us the importance of cleanliness and reminded us on how to take care of the nature and our surroundings for our future generations.
