To,

The Principal,

Lady Keane College.
Shillong.

Dear Sir,

At the outset, on behalf of the institution, I extend our kind greetings to you.

In concomitance with our academic calendar, we also endeavour to address important issues, beyond the classrooms, through Seminars, workshops and extension activities. This helps create an enabling environment of teaching and learning for both the faculty and students.

In line with such objectives, the College will be organising a Symposium on **Party Politics and Political Participation** on the 4th of November 2022 at 11 a.m. in the College auditorium. The intent and purpose of this program is to provide a platform for students from different Colleges to hear the views and policies as espoused by the Parties and be informed as well as be educated about the issues of the day. Prominent personalities across political parties have been invited to address the gathering. With the elections to be held early next year, the College feels such a discussion will be a healthy exercise amongst all stakeholders while also giving them an exposure and learning atmosphere on the polity of the day.

On behalf of the Organising Team, I request the kind participation of your esteemed institution by sending 10 students accompanied by a faculty member to attend this program. The audience gathered will be greatly benefitted from the discourses and be positively sensitised on the many issues of the day, as well as the importance of political participation.

Students and faculty members from Colleges and Universities across the State are being invited to attend the program and the valued participation of your College will indeed make the event meaningful, fruitful and successful.

With kind regards,

Yours faithfully,

Principal
