Respected Sir/Madam,

Greetings on behalf of the Shillong Law College Model United Nations. We are elated to inform your kind institution that Shillong Law College shall be conducting its first ever Model United Nations Conference. The Conference is officially slated to be conducted on the 4th and 5th of May 2023 under the theme – “Embrace, Empower, Evolve” where we are deeply pleased to invite your institution to our upcoming Model UN Conference to be held at the College Premises.

Today, Model UN Conferences as an academic activity for students and young leaders playing an essential part of their curriculum continues to provide substantial learning experience for students and young individuals in the country and beyond. Institutions ranging from schools to universities goes on to take keen interest over Model UNs, not because of the branded UN name-tagged involved but because it is helping the youth and the younger generation extensively, specially towards becoming knowledgeable, sensible, well-equipped individuals, moreover making the them to be more aware about the local and global issues.

This Conference looks forward to providing an excellent opportunity for your students to engage in diplomatic simulations and hone their public speaking, critical thinking, problem-solving skills and other essential skills. It will also give them the chance to network with students from different colleges and universities, and learn from experts in the field. The conference will feature several committees, each with its unique agenda and set of challenges, and we are confident that your students will find one that aligns with their interests and strengths

In light of the above, we look forward to hearing from you and hope that your college will accept our invitation to participate at our first ever Model UN Conference. Your institution's kind acceptance and consideration for participation to our humble conference shall be highly appreciated.
