

REPORT ON

SKILL BASED TRAINING ON

“JUTE BASED MAKING IDEAS”

Under the RUSA Equity Initiative fund the Students’ Cell of Lady Keane College organized a Skill based Training on “Jute Based Making Ideas”.

DATE: May 30,2024

VENUE: ZOOLOGY DEPARTMENT, LADY KEANE COLLEGE

NUMBER OF SESSIONS: TWO

RESOURCE PERSONS:

1. Mrs A Jyrwa, Proprietor, Jute Workshop cum Training Centre, Mawlai, Shillong and her team.

PARTICIPANTS:

NUMBER OF PARTICIPANTS= Twenty seven students (Two students were selected from each
Department)

ABOUT THE TRAINING:

SESSION 1

The Training program started with a short Inaugural function in which the Principal welcomed the resource Persons and participants. The Host introduced the resource persons to the participants and the Principal felicitated the resource persons and her team. The inaugural function ended with a short tea break. The technical session started by the distribution of raw materials to the participants which included cut out jute materials, needles, threads, scissors. The participants were taught to stitch the jute material and make folds on it. The process was a little difficult for the participants at first as it was difficult to stitch the thick ends of the jute material together. However by the end of the first session the participants were able to make their own jute bags. The first session was followed by Lunch break where all participants and the resource persons were served packed lunches.

DAY 2

The second session started on a high note with participants enthusiastic to learn more. The team of resource persons from the Jute Workshop and Training Centre carefully guided and helped each participant in their work. In this session the participants learnt how to make jute table mats which was very intricate and beautiful. Though the process was a little time consuming as the stitching had to be done by hand but the finished product was worth the hard work. All participants were motivated and happy to have learnt a new skill and especially as they were able to keep the things that they had made. The session ended with a vote of thanks from the Host.

OUTCOME:

- 1. The workshop provided hands on training on the different types of Jute products**
- 2. It created awareness on the feasibility of jute products**
- 3. Marketing strategies for the sale of jute products**
- 4. All participants were awarded certificates.**
- 5. Participants also shared their feedback and experiences of the workshop.**

FEEDBACK FORM

Sl No.	NAME	DEPARTMENT	COMMENTS
1.	Mattikordor Pariong	Chemistry	Good
2.	Lakshmi Nongri	Chemistry	Nice
3.	Payal Paul	Economics	Good.
4.	Ria R Nayak	Economics	Good.
5	Labang Shusha Mngap	Khasi	Good.
6	Nikita Das	BCA	Good.
7	Evadahun Oklan	BCA	Nice ☺
8	Ristina Kharshing	Khasi	Good
9.	Sunafan Beyong	History	very good 😊
10	Monika Nomok	History	loved it!
11.	Philamon Lyngkhai	Mathematics.	Very Good.
12	Christi Mungmay	Pol. Sci	Good
13.	Medarisha Saliy	Mathematics	Good!
14	Dolfinia Syimiez	Biochemistry	great! Fantastic! Thank You ☺
