- Vote of Thanks: **Dr. D.G.Marbaniang, Nodal Officer, EBSB Club, Lady keane College, Shillong**

The EBSB club took a decision to organise this exhibition programme as it is very much part of the EBSB initiative and objective, i.e., to disseminate information about the EBSB Paired State. The students from B.Sc, B.C.A and B.T.T.M final Semester were chosen as the target audience on this programme. About 158 students (Annexure-1) attended the programme.

The student members of the EBSB club were given an opportunity to be the resource persons for the different topics in the exhibition. It was observed that all the students had done a lot of research about their allotted topics and their presentations were very clear, accurate and to very interesting. Their verbal, graphical and visual presentations were able to grasp the attention of the audience. There were also special performances by the students of the college displaying their musical and dance talents. A magic show was also organised where a student of the college, Mr. Mewanrahbok Dkhar mesmerises the audience with his magic skills. The entire programme was a success as the club was able to create awareness about the different aspects of the paired state, Uttar Pradesh which include Tourist sites and infrastructure (Modern and Historical), Higher Educational Institutions, Attires, Cuisines, etc.
