

## SOCIOLOGY DEPARTMENT

### A report on Students' Exchange program.

A Students' Exchange programme between Lady Keane College and Women's College was held on the 29<sup>th</sup> and 30<sup>th</sup> September 2023. The program on the 29<sup>th</sup> was held in Women's College and on the 30<sup>th</sup> Lady Keane College.

It was an extremely enriching experience for students as well as teachers. The program at Women's College started at 10 a.m. with a formal inauguration of the two day long program, by the Principal of the college. There was a self-introduction of the staff as well as students followed by a faculty presentation by teachers of the Sociology department of Women's College. They delivered discourses on different sociological theories in an interesting manner, through slides and demonstrations.

There was a documentary show on women issues which depicted the heart wrenching story of a mistreated woman. After a tea break, there was interaction based on the document which was followed by a group presentation by students. After lunch, the students of Women's College presented a skit with a moral lesson.

Social games followed this program, which was thoroughly enjoyed by everyone. Finally, the valedictory function was conducted which included student feedback, distribution of certificates, and a vote of thanks.

Day two of the students exchange program was held in Lady Keane College on the 30<sup>th</sup>. An exuberant welcome was extended to the students and staff of the guest college through welcome songs, dance greetings, and gifting of College mementos to the guest faculty. After this, an interesting talk on women's issues was delivered by Miss B.Sawkmie of the host college, followed by an ice - breaking session where students interacted by forming groups. Various fun but educational activities were conducted in which students took part in in their respective groups, which engaged them in critical thinking.

A college tour was given to the guest students, which was followed by lunch. The valediction included a heart to heart sharing by the participants from both colleges. Finally, certificates of participation were distributed. After the vote of thanks, the two-day, Students' exchange program came to an end. All in all it was a gratifying and memorable experience.

Dr. R.J.Nongrum,

Head,

Sociology Department.
