

Study Tour to Nagaland

The Department of Philosophy, Lady Keane College, Shillong organised a six day study tour programme to Nagaland from 8th to 13th December 2022 for the 6th and 4th Semester Honours students. The main aim of this study tour was to make the students aware of the culture and traditions of various tribal communities of Nagaland. It was a team of twenty four members, three teachers and twenty one students of the department. On 8th December 2022 the team left for Nagaland at 8.30 a.m. from the college campus. On 9th and 10th December the team attended the Hornbill Festival at Naga Heritage Village, Kisama which is about 12 km from Kohima. Hornbill festival is celebrated every year from 1st to 10th December. All the tribes of Nagaland take part in this festival. This festival is organized mainly to encourage inter - tribal interaction and to promote the cultural heritage of Nagaland. The students received the first hand knowledge of art and artisans and rich cultural traditions of various Naga communities from this festival. The team also visited the Second World War Cemetery and Museum at Kohima.

On 11th December the students and teachers participated a National Seminar organized by the North-East Institute of Social Science and Research Dimapur, Nagaland on the theme "Conflict Transformation and Peace Building: Contemporary Challenges in North - East India". There were three speakers and all of them mentioned that conflict is something that cannot be avoided, it is natural to man but it can be resolved and peace can be built - in by adopting various peace building methods and approaches. In the afternoon session there was a workshop especially organized for the students on the theme "Introducing Peer Mediation in Colleges and Universities". The students of our college took active part in the workshop and each one of them was benefitted from that workshop. On 12th December the teachers and students participated another National Seminar organized by the MGM College, Dimapur, Nagaland on the theme "Religious Pluralism and Contemporary India with special reference to Tribal Religions of North East India". There were six speakers and near about hundred participants. The interactive session was quite lively and fruitful. I would like to mention here that both of these National Seminars were jointly organized with **Mahatma Gandhi Center for Conflict Resolution and Peace Studies** of our college.

On the 12th December the team reached at Kaziranga late in the evening and stayed at Regal Guest House in order to visit Kaziranga National Park on the next day. On 13th December early in the morning we took a safari to visit the National Park. Students were able to observe the different varieties of animals and birds especially they were able to see the Rhinoceros and that was the main attraction of visiting Kaziranga. On the same day, that is, on 13th December the team reached back to Lady Keane College, Shillong.

The tour was highly beneficial. The students observed, learned and explored a lot from this visit which would be beneficial for their educational knowledge and purpose as they experienced something different from their day to day activities. The total budget of the Study Tour was Rs. 75600/- (Seventy Five Thousand and Six Hundred only)
