

## **Take Back The Arts: Chapter 7**

**Objective:** To provide a platform where art finds expression and reclaim art back to the artist irrespective of standing or repute.

The 7<sup>th</sup> edition of the Take Back The Arts program was organised on the 17<sup>th</sup> of May, 2023, and witnessed the participation of a number of budding artists who managed to express their creativity and artistry through poetry, painting, song, dance and any other form or artistic expression. The programme was attended by a crowd of more than 200 inclusive of teachers and students. The programme's sole aim is to appreciate art in its crude form and this did encourage a number of students to display their creative talents on stage and help provide a platform for them to showcase their artistry. This year, the Department had organised the programme in collaboration with the Extension Services Cell, Lady Keane College
