

YOUTH DAY 2023

The United Nations has designated August 12 as International Youth Day, a day of awareness. The day's goal is to raise awareness of a specific set of legal and cultural concerns pertaining to youth. On the occasion of International Youth Day 2023, Students' Cell, Lady Keane College organised a Letter writing competition on August 7, 2023 and a Youth Rally on August 12, 2023.

The letter writing competition invited students to write a letter "To the Chief Minister of Meghalaya addressing him about the problems faced by them as young college students and their suggestions for the betterment of the youth in the State." A total of 27 students from various departments participated and the winners were announced on August 12 during the Youth Day Celebration. The two winners **Ms Gracy Maisnam** and **Ms Gurleen Kaur** were awarded certificates and cash awards. The winners also had the golden opportunity to meet with the Chief Minister of Meghalaya, Mr Conrad Sangma, at his office. They read out and even handed over their letters to him. The Chief Minister assured them that he would look into the concerns addressed by them and try to find a solution to the problem.

In collaboration with NSS, Lady Keane College Unit, the Students' Cell, Lady Keane College organised a Youth Rally on the theme "Green Skills for Youth- Towards a Sustainable World" on August 12, 2023. The day kickstarted with a short program at the College Seminar Room where Dr K. Makdoh, IQAC Co-ordinator delivered an awareness Speech on the prescribed theme. A street rally commenced shortly after the program where participants displayed banners and placards with messages and slogans to raise public awareness on necessary skills, values, and dispositions required to create and sustain a society that is resource-efficient and sustainable. The rally started from the college campus and made its way along the IGP road, passing State Central Library on its way to Police Bazar blending entertainment with creating awareness on Green Skills. At this juncture, the students of Youth Red Cross, Lady Keane College Unit, enthralled the audience with a captivating Flash mob. The program ended with a vote of thanks and the crowd dispersed enlightened and aware.
